Counsel:

We write in response to your request for further forbearance on enforcement of the subpoena *duces tecum* issued by a New York County grand jury to Mazars USA, LLC on August 29, 2019 (the "Mazars Subpoena") in light of the August 21, 2020 Order of the U.S. Court of Appeals for the Second Circuit denying your application for an administrative stay of enforcement of the Mazars Subpoena and setting your application for a stay pending appeal for argument on September 1, 2020.

The Second Circuit properly held in its August 21 Order that no administrative stay of the Mazars Subpoena is warranted, as your client is highly unlikely to succeed on the merits of his appeal and will not suffer irreparable harm if a stay is not entered. The New York County District Attorney's Office welcomes the expedited briefing and argument schedule to resolve your full stay application contemplated by that Order. To ensure the Second Circuit has ample opportunity to consider thoroughly the arguments raised in your stay papers, and to avoid undue further delay, the New York County District Attorney's Office hereby agrees to forbear on enforcement of the Mazars Subpoena until 5:00 pm on the second calendar day after the Second Circuit issues a decision on your application for a stay pending appeal.

Respectfully submitted,

s/ Carey R. Dunne
